was then proper element, men, women and

children, some on pomes and donkeys, some

sweening, and some wading along the shoals.

All were shouting and yelling as for dear life -

But though these volunteer guides came to di-

rectus, their number and noise deteated their

kind intentions, and increased the existing dif-

ticulties. Solomon telle us that is a multitude

of counsellors there is safety, but had he been

multitude of Indian pilots there was a corres-

ponding degree of sure guidance. However

we all got safely across. Some of the diageons

were dismovined by their horses sinking into

and floundering through the beds of quicksands,

greatly to the amusement of their more fortu

nate comrades. After the Squadrons had cross-

fd, the waggons followed - many of them sank

were kept in rapid motion all the time, they

would immediately go down. For the purpose

of preventing the possibility of losing them fir-ty men were detailed and placed under charge

of an officer, to assist in getting them over.-

These men had a long picket rope, which they

tied in the chain of the lead mules, when at a.

word off, they would start through the water,

with a run. The Indians, by scores, volunteer-

pulling mules, wagons, and everything else over

ed for this kind of labor, and laid hold of the

topes and wagens with a will and vigor which

couple or hours, everything was safely over .-

tance they could, or the latter, who stood snuo

and dry upon the banks, looking on with stoical apathy? On ascertaining that Mi. Dunbar was
